**Donation Drive for family of former Member of the Bar –  
the late Anuar Ismail**

It is with deep regret and sorrow that I hereby notify you of the passing of a former member of the Bar, Encik Anuar Ismail who died on 23<sup>rd</sup> January 2010 after a lengthy illness.

He leaves behind a wife and we have been informed that at the time of his death, he did not own any assets or in possession of any other financial means as he had not been working for a number of years due to his inclement health.

During his time in practice, En. Anuar was part of the Penang Bar football team that took part in the various Bar Games for many years.

In 2009, the Penang Bar Committee conducted a donation drive and a total of RM2,300 was raised and handed over to En. Anuar to assist him in paying for some of his medical expenses.

I now once again appeal to members for contributions for the late En. Anuar's widow. We welcome all donations, whether big or small and we assure you that your support towards this collection drive is very much appreciated.

Kindly send you donations made out to the 'Penang Bar Committee'.

Thank you.
