**UPDATE**

**Georgetown Sessions Courts :**  
**Night Courts to hear 'Kes-Kes Jenayah Jalanan'**

Further to our earlier Circular CL 5/10 regarding the above, we wish to inform members that the introduction of the Night Courts was done without prior consultation with the Penang Bar Committee and we were only notified of the same via the letter from Court on 25-02-2010.

We therefore invite members' views and comments regarding this new directive so we can take it up with the Court authorities as soon as possible.

Thank you.
