As in previous years, training sessions will be fixed by the respective convenors to maintain or enhance our level of sporting competitiveness and we do hope your serious efforts and time sacrificed during the training sessions will help the Penang Bar retain the challenge trophy again, having done so 4 years in a row.

We are also looking into getting special rates at a Hotel in Ipoh through the Perak Bar and details will be made available soon.

Let's continue these Games which were first played in 1964 in the best spirit of sportsmanship and camaraderie!

Thank you.
